7. Unfortunately the Green land is being proposed as a strategic housing allocation by York CC in advance of Selby DC declaring their chosen housing allocation for Escrick. 8. When Selby consults later this year, it is likely to propose a housing allocation on some or part of the Blue land to the East of the Village (although the red land remains an option). Would you support the allocation of an additional (to York) housing site on this land?

9. If the Parish Council wanted to engage external consultants to advise on suitability of the site would you be willing to make a one off financial donation to cover costs. Subject to costs being agreed.
