

MULTIPLY

Bills, Budgets and Money Mastery!

A FREE, fun, and informal way to improve your maths to help you save money on your bills, budget better, master the art of supermarket deals and so much more!

Join us for a 2-part course, delivered over 2-weeks, at either Brayton Community Centre or Community House in Selby or over Zoom.

Pick and choose the dates that suit you!

	Mon	Tue	Wed	Thu	Fri	Sat
Pick your first session date	9th Oct Brayton	10th Oct Selby	11th Oct Zoom	12th Oct Brayton	13th Oct Selby	14th Oct Zoom
Pick your second session date	16th Oct Selby	17th Oct Selby	18th Oct Zoom	19th Oct Brayton	20th Oct Selby	21st Oct Zoom

To attend please register your interest by emailing lindsay@upforyorkshire.org.uk.

To be eligible you must be 19+, NOT have a GCSE A-C grade in maths. Some basic data collection will be required at the session. Open to anyone from North Yorkshire or York.

The multiply initiative aims to help people develop their maths skills and improve our standard of living by understanding ways to save money at home and improve our health and wellbeing.
